## Presenter

### Dr. Larry Lampert

Dr. Lampert has practiced vision therapy in Boca Raton, Florida for 30 years. He is on staff at Pinecrest Rehab Hospital and delivers neuro rehab and falls prevention programs at three skilled nursing facilities. He also provides visual skills training to the Palm Beach County Sheriff's Office, including the SWAT team. Additionally, Dr. Lampert works with amateur and professional athletes, such as the Minnesota Twins Minor League System.

Dr. Lampert is the author of "The Pro's Edge: Vision Training for Golf" and has been featured on the Golf Channel, NBC Sports, Lifetime, satellite radio, and numerous publications.

# Improving Sports Performance, Reducing Occupational Hazards, and Assisting Brain-Injured Patients in a Full-Scope Optometry Practice

Prepare for the optometric challenges of today by adding visual performance assessment and training to your practice.

After eight hours of lecture and four hours of workshops, you will be able to incorporate these concepts into your practice the very next day. You will learn sports, occupational, and neuro rehabilitation applications.

## Improving Sports Performance

2-3 June 2018

OEP NATIONAL EDUCATION CENTER  
TIMONIUM, MD
